## *Fast Facts*

**Revised**

### **Public Restrooms at Information Centre**

1. The public restrooms located at the Info/Admin building are available 24 hours a day/7 days a week for public use.  

The outside door by the parking lot off Waskesiu Drive will remain unlocked at all times and the inside door will be locked when the Info/Admin building is closed.
2. The public rest rooms located in the small building at the edge of the parking lot, near the Friends of the Park building, are closed and will eventually be removed.
3. There is a water spigot located at the Info/Admin building adjacent to the entrance by the parking lot. If you are standing on the stairs to the building, the tap is left side of the stairs.
4. The decision to open the restrooms at the Info/Admin building and close the small building was made to:
  - eliminate an existing facility that has deteriorated to a point where it is economically impractical to keep it open
  - replace a washroom facility that does not meet required standards with one that meets both today's standards and accessibility standards required for our facilities.
