

## **Summer jobs at the Lake! With Accommodations, Waskesiu Restaurant 2022**

The Patio Cafe and The Scoop Ice Cream Parlour - good wages, tips, full time work, and subsidized accommodations - also jobs for high school age applicants here with their family for part of the summer. We are a family fast-casual style restaurant plus The Scoop ice cream parlour, located in Waskesiu, in Prince Albert National Park. Beaches, paddle-boarding, exploring, hiking - whatever makes summer fun, Waskesiu has it. Make new friends, play on the lake, or take off for the wild! Most staff should plan on working full time, 32-40 hours per week minimum, in order to justify the time we need to train, (full time is normal) and there is no shortage of work for those who wish to maximise their income.

We are hiring Servers, Scoopers, and Cooks. We are proud to be a safe and ethical employer and we strive to train our staff and build character. We are looking for energy and enthusiasm! Experience helps but a good attitude is essential, then we help you build your resume with training and valuable experience. Pay raises are the norm here, for all positions when you demonstrate effort and ability, and there is a season-end bonus. Gratuities add up fast! Wages plus tips can provide more than you can earn elsewhere.

We provide accommodations (subsidized, shared) nearby for applicants who have a record of demonstrated responsibility. If you have enthusiasm and some achievements in life so far, in school or work or sports, you can apply for a job at the lake with accommodations!

**Servers (fast-casual style):** Enthusiasm and willingness to learn are most important. What you have done so far in life, as early work experience or schooling or other activities will show you to be a dependable energetic team player. Earn raises to 16/hr or higher as you prove your ability, and the tips are good!

**Scoopers:** We train new entry-level workers! High schoolers can start as soon as you get out of school and work all or part of the summer. If you are high school age and your family has a cabin in Waskesiu, or an RV sited in Waskesiu for all or part of the summer, you can join our team in the Scoop or train for another position – if you are ambitious, we train as fast as you can excel. Tell us what you want to do!

**Cooks:** Line cook and prep cook duties using our established procedures, in a modern and fully equipped kitchen, with a simple menu. Experience is valuable but we train entry level as well. Wages 16-21/hr depending on experience and ability, and shared (affordable) accommodation is provided.

**All positions:** We reward our staff with raises as fast as you show your abilities. Gratuities are pooled and shared, and they are not unsubstantial. If you qualify for our safe and clean staff accommodations, they are subsidized to be affordable.

**APPLY NOW.** Questions are welcome, by email or phone please. 306 291-9669 Apply email to [petstraw@sasktel.net](mailto:petstraw@sasktel.net) with attached resume and/or any questions, we will send you an application form, watch your Email Inbox!
