**Congratulations to the Waskesiu Heritage Museum, winner of the  
Lt. Governor of Saskatchewan Heritage Award in the Public Outreach category  
for their Heritage Moments project ([waskesiuheritagemoments.org](http://waskesiuheritagemoments.org))**

Using your smart phone camera to scan QR codes on round signs around town, you are linked to archival photos, stories, videos, music, and fun facts about that location and the history of our community.

**Check it out online and give it a try on your next visit!
