GUITAR LESSONS

CANADA | 2022

DRAMEDY, 1:40

GUITAR LESSONS is the story of a 15-year-old Metis boy who inherits a guitar from a father he never knew and sets out to find someone to teach him to play it. Corb Lund plays a cranky oilfield contractor who just might know a lot about playing guitars, if he could just be convinced to help.

Shot in Alberta, our audience will recognize the northern Canadian views and the quieter rural voice.

Q&A Session with writer/director Aaron James to follow the Saturday evening showing

THE MIRACLE CLUB

UK | 2023

DRAMEDY, 1:31

Set in 1967, THE MIRACLE CLUB follows the story of three generations of close friends, Lily (Maggie Smith), Eileen (Kathy Bates), and Dolly (Agnes O'Casey) of Ballygar, outside Dublin, who win a pilgrimage to the sacred French town of Lourdes, that place of miracles that draws millions of visitors each year. Just before their trip, their old friend Chrissie (Laura Linney) arrives in Ballygar for her mother's funeral. Old wounds are reopened, forcing the women to confront their pasts even as they travel in search of a miracle.

SAINT OMER

FRANCE | 2022

DRAMA, 2:02, PG13

A gut-punching contemplation of a woman's immigrant experience, the film shows a mother on the stand for infanticide and a young novelist forced to confront her own traumas as she observes the trial.

"Saint Omer is gripping, affirming, and incendiary in its deconstruction of the continued violence forced upon Black women in French society."

BORN IN CHICAGO

USA | 2023

DOCUMENTARY, 1:17

In the early 60s, young white musicians from Chicago's suburbs came to be accepted at Chicago's black blues clubs amongst legends such as Muddy Waters and Howlin' Wolf. The film tells this fascinating story through the voices of those who were there.
