

Greetings all,

The new "Roll Off" construction waste bin is now available for cabin and cottage owners to dispose of small amounts of construction materials.

The bin is now available at its new location at the Parks Canada Operations Compound on Highway 264.

Residential Roll-Off Bin

This bin is for small construction project material for residents only.
Commercial operators and contractors are not allowed to dump at this facility.

Open:

May Long Weekend to September Long Weekend Everyday 8:00 a.m. to 3:00 p.m.
September Long Weekend to Thanksgiving Weekend* Monday to Friday 8:00 a.m. to 3:00 p.m.
*Please call 1-306-663-4548 or email pc.panpassets.pc@canada.ca to book an appointment for weekend drop off after Labor Day weekend.

What's Allowed: <ul style="list-style-type: none">• Windows• Framing• Drywall• Carpet• Scrap Wood	Do Not Dump: <ul style="list-style-type: none">• Appliances• Mattresses• Shingles• BBQs• Household Waste• Any material on the ground
--	--

A landfill is available in the City of Prince Albert for "Do Not Dump" items and for use by commercial operators and contractors.

Important Note:

- **Do not dump any materials on the ground or outside of the fenced area if the gates are closed and locked.**
- **Do not dump any materials at the former bin location next to the recycle bins in Waskesiu.**
- **Violators are subject to court appearance and fines.**

Thank you,

N. Scott Nesbitt
