=====

This was a special purpose meeting of Council to review the 2025/2026 Waskesiu Townsite utility rates (for Water, Sewer & Garbage) and to determine the applicable amortization period in relation to certain capital costs incurred during the 2024/2025 fiscal year.

Following the presentation of information by representatives of Parks Canada Agency, and detailed discussions, the following motion was moved by Councillor Jennifer Wood and seconded by Councillor Bob Cyr:

2025/2026 Waskesiu Townsite Utility Rates (Water, Sewer & Garbage) and the related Amortization of 2024/2025 Capital Costs

WHEREAS, based on the written information provided to the Waskesiu Community Council (**Council**”) by Parks Canada Agency (**PCA**”) on August 13, 2025, and the subsequent special meeting of Council with representatives of PCA held on August 15, 2025, it is hereby resolved as follows:

- (1) That capital costs totaling \$153,495 incurred during the 2024/2025 fiscal year in relation to the Waskesiu Townsite Potable Water Generator and the Waskesiu Sewer Line Project be amortized over a period of 20 years at an interest rate of 2.53%.*
- (2) That Parks Canada is authorized to calculate and invoice Waskesiu townsite ratepayers for 2025/2026 Water, Sewer & Garbage fees accordingly.*

Carried unanimously.

This Special Meeting of Council was adjourned at 10:20 a.m.
